

The Danish Sustainable Development Goals Investment Fund subscribes the equivalent of USD \$20 million worth of Vinte common stock

Mexico City, Mexico, December 14th, 2020 – Vinte Viviendas Integrales S.A.B. de C.V. (“Vinte”) (BMV: VINTE), informs the investing public that, in line with the prior approval of the Board consisting of offering the shares pending subscription and payment to be issued due to the increase in Vinte’s variable common stock approved by Vinte’s Annual Ordinary General Shareholders’ Meeting dated on May 26th, 2020 (the "Assembly"), to the *Danish Sustainable Development Goals Investment Fund*, managed by the *Investment Fund for Developing Countries* (“IFU”), a fund owned by the government of Denmark managed independently and with a focus on sustainable impact through companies that help compliance with the UN Sustainable Development Goals (SDGs), on this date such fund subscribed and paid 14,364,694 shares (the “New Remaining Shares”) at a total subscription price of \$397,902,023.80 Pesos, equivalent to USD\$20 million, that is, at the same price per share as the rest of the new shares offered to Vinte shareholders due to the aforementioned common stock increase (\$ 27.70 pesos per share).

Likewise, certain shareholders informed Vinte that, in order to promote the liquidity of the company’s shares, they entered into an agreement so that, in the event of updating assumptions such as new public offerings by Vinte or other significant offers, they would have the possibility to participate jointly in them, all subject to compliance with certain conditions and without the aforementioned agreement implying or constituting any commitment, agreement or contract, of any kind, regarding the exercise of the right to vote that corresponds to them as Vinte’s shareholders. The foregoing in compliance with and for the purposes of the provisions of article 49 of the Securities Market Law.

ABOUT VINTE

Vinte is a sustainable, vertically integrated Mexican home builder with a clear focus on profitability. For more than 17 years it has been dedicated to developing sustainable residential complexes for low- and middle-income families, focused on improving their quality of life, a commitment for which it has received multiple national and international awards. Vinte has developed over 44,000 homes across six Mexican states, primarily in the center of the country, achieving a high level of loyalty amongst its clients and extensive brand recognition in the markets in which it operates. Vinte’s highly qualified management team has over 28 years of experience in the Mexican housing sector.
